## Waste Collection and Recycling Program

The Village of Biscayne Park has contracted Great Waste and Recycling Service, LLC (GWRS) to provide its residents with waste collection and recycling services. Important information on the program including the collection dates for residents is listed throughout this sheet.

Collection dates are based on the following geographical locations:

**West** - Residences on and West of 9th Avenue

**East** - Residences East of 9th Avenue

The Village of Biscayne Park encourages all its residents to take full advantage of our recycling services. Recycling reduces the amount of waste sent to landfills, conserves our natural resources, reduces pollution, saves energy, and makes our community a better place to live. The Village uses a **SINGLE STREAM RECYCLING** system which means that all approved items can be placed in your dark green cart.

## RECYCLING DO'S AND DON'TS

Plastic Bottles and Containers

Food and Beverage Cans

Flattened Cardboard Boxes

### DO NOT PLACE IN RECYCLING CONTAINER:

The cart must be placed at the edge of pavement by 6:30 a.m. on your collection days. Please remember that to avoid a violation, trash and recycling carts **MUST NOT** be placed at the edge of pavement earlier than 5 p.m. the day before the scheduled collection date, and must be placed out of sight by 9:00 a.m. the next day after collection.

## YARD WASTE AND BULK WASTE

You can call **305-798-7414** or email [biscaynepark@great-waste.com](mailto:biscaynepark@great-waste.com).

## MISSED COLLECTION

If bins are placed out on time by 6:30 a.m. on the date of your collection and it is missed, please contact GWRS immediately and they will make every effort to collect on the same day. If notification is made after the trucks have left the Village, collection will be made on the following day.
